

# Information About Me

I am: Mr. Willie

My condition is: Fragile X syndrome

This means: I have trouble learning new skills. I also have difficulty paying attention and maintaining eye contact.

I communicate best:

Please speak clearly and slowly to me. I may not look at you when you are speaking to me. If available, please provide me with visual choices & minimize options.

Who and what is important to me:

My sister, Stephanie helps me with decision making. Please contact her at (513)000-0000.

I enjoy watching movies and TV, specifically game shows and movies about sports.

How I cope with medical procedures:

I may become anxious or irritated. Please speak calmly to me and explain what you are doing.

Important to know:

Just because I am not looking at you or not ~~responding~~ responding does not mean I am not listening.

What I like to do to keep me busy:

Watch TV and movies, go for walks, talk to my sister.

My profile was completed by:

 Me

Someone else: Stephanie (sister)

Me and someone else together:

I will need support with me at all times, and should not be left without supervision:

 Yes No

Even if a support person is in the room, please always speak directly to me.
